

The Indiana Homicide and Violent Crimes Investigators Association is presenting what will be one of our most educational conferences ever. The IHVCIA conference will be held on August 19th and 20th, 2010 from 8am-5pm. This conference will be held at the Buck Creek Twp. Fire Department Training Facility located at 5800 West Airport Way, Greenfield, Indiana 46140 (just off I-70 East take the Mt. Comfort Road Exit, then go north to Airport Way, Training Facility on the right).

Dr. Eric Hickey will present: The Care and Maintenance of Your Next Serial Killer.

Mr. Ankrom, will be presenting several cases that he has profiled and worked over the years including the Ohio inter-state shootings, and will include interviews that he has conducted.

**Conference cost is \$20 dollars for IHVCIA members \$50 for non members

ERIC W. HICKEY, Ph.D.
Criminologist--Consultant

Dr. Hickey is the Director of the Center for Forensic Studies at Alliant International University. He also teaches criminal psychology at California State University, Fresno, CA. Dr. Hickey has taught many courses in criminal personalities, sex crimes, homicide and psychopathology in universities, colleges, jails and prisons and supervises theses and dissertations involving forensic and criminal psychology. Dr. Hickey has considerable field experience working with the criminally insane, psychopaths, sex offenders and other habitual criminals. He has also served as an adjunct instructor for the American Prosecutor's Research Institute at the National Advocacy Center in Columbia, South Carolina profiling stalkers, cyber-stalkers, criminal personalities and sexual predators.

He publishes books, articles and lectures extensively on the etiology of violence and serial crime. His book, *Serial Murderers and Their Victims*, 4th ed., Thomson/Wadsworth Publishers, is used as a teaching tool in universities and by law enforcement in studying the nature of violence, criminal personalities and victim-offender relationships. Another of his books, *The Encyclopedia of Murder and Violent Crime*, Sage Publishers, explores the phenomenon of murder and violence through the eyes of some of the world's most noted experts. In 2006 he published *Sex Crimes and Paraphilia* (Prentice-Hall Publishers), a comprehensive examination of sexual perversions, sex offending and sexual predators. His latest coauthored book, *The Myth of a Psychiatric Crime Wave*, (Carolina Academic Press) examines the misperceptions and reality of the mentally ill and mentally disordered as criminals.

His expertise is regularly sought by the media including appearances on CNN, Catherine Crier Live, NPR, Larry King Live, 20/20, A&E Biography, Good Morning America, Court TV, Discovery and TLC. He consults with private agencies and testifies as an expert witness in both criminal and civil cases.
